USEFULL

All USEFULL workshops are sponsored by Council #10, Lakewood UniServ Council, North Shore United Educators, TriWauk UniServ Council and West Suburban Council.

PDP TEAM TRAINING

Prior to attending this training **each participant will need to complete the on-line PI 34 PDP self-assessment module.** The goal of the module is to provide the background knowledge of PI 34 so you may better understand the context within which the PDP process emerged.

Further, this knowledge will allow you to participate fully in the training. The address to find the on-line module is <http://dpi.wi.gov/tepd/pdptrain.html>, then click "*On-line PI34 PDP Module*". When you log on to the module it will ask you for your 6 digit license number. If you do not have a WI Educator License, e.g., Higher Education participants, you will need to use 000000 in place of the 6 digit license number. First, view the Power Point and complete the self-assessment. Print the certificate and bring it with you to the training so we can list you on the DPI website as a trained PDP team member.

This workshop is being planned by the Wisconsin Department of Public Instruction.
